

MY Access!

Formative and Summative Assessment Management System

MY Access! is Vantage Learning’s prompt-driven, web-based writing environment that scores student responses to prompts in seconds employing our IntelliMetric advanced artificial intelligence technology for automated essay scoring with immediate Response to Intervention.

Student writing responses are scored instantaneously with immediate instructional feedback, allowing teachers to conduct early diagnosis, deliver writing assignments more frequently, and monitor formative writing assessment and performance by student and class. MY Access! includes a 3-year writing portfolio, 70+ reports and Holistic feedback for every essay.
